本人很高興能夠藉著這個機會衷心感謝球圈各人在過去一個球季的努力,無私地爲足球運動作出貢獻,打破困局,使到今季球市得以穩步上揚,開創了一個新景像。足球運動的成功發展,除了有賴球圈人士對足球運動的主要極的參與外,他們的決心和信念是推動足球運動的主要原力。縱使今季球市出現復甦,但我們絕不會因此而滿足,在未來的足球運動發展中,我們還要面對很多的挑戰,本人希望與大家繼續攜手合作,齊心協力將本地足球運動發揚光大,期望能創造出另一個新高峰。

本人亦藉此機會向康寶駒主席、董事局各董事成員、顧問、各專責小組成員及秘書處各同事在過去一年的努力耕 耘致以謝枕;同時,亦感謝政府、社會各界、新聞界及各 贊助商對推動足運的鼎力支持。

I am glad to take this opportunity to express my sincere thanks to all people who made their unselfish contribution for the revival of domestic football in Hong Kong over the past season. The success of football depends largely on the enthusiasm and commitment of people who have had the determination and conviction to move the sport forward. Although domestic football has recovered considerably from previous seasons, we will not be contented with the progress. Indeed, I am sure there will be more challenges on our roads ahead. I hope we can continue to work together in the coming seasons in order to scale another new height of football in Hong Kong.

I would also like to pay tribute to the hard work and effort of Chairman Martin Hong, Board of Directors, Advisors, Task Force members and secretariat staff over the past season. My heartfelt thanks also go to the government, community, member of the media and sponsors for their unfailing support to Hong Kong football.

霍震霆 GBS 太平紳士
The Hon. Timothy TT Fok, GBS, J.P.
香港足球總會會長
President, The Hong Kong Football Association

前言

香港於去年9月在國際足協排名躍升至第109位, 創出歷史新高,除了為香港隊注入新動力外,亦 證明了本會每年投放資源、提供完善訓練予各級 代表隊和支持不同範疇的足球發展活動的發展方 針和計劃是正確的,我們亦將會朝著這個方向繼 續奮鬥,寄望再取得進一步的成績,讓香港足球 在更理想的環境下成長。

足球運動是香港最普及、最受歡迎、也是最能跨越年齡和階層限制的全民運動。事實上,今季升班馬和富大埔,作爲一支地區球隊,已能在大埔區內營造出和諧的凝聚力,而在球藝技術上亦能與一眾強隊競逐爭雄,爲地區體育開拓出光明的路向。本會對發展地區體育經營多年,大埔隊的路功好比注入強心針,本會於未來會進一步加強地區推廣計劃,協助更多青少年、學校組成足球隊伍參與比賽,做到「快樂足球、全家參與」。

老牌球會南華今季自強不息,在積極進取的推動下,顯出皇者風範,成為本季3冠王,不負本會和球迷的期望。而旺角大球場更罕有地掛起代表爆棚的「紅旗」,多場精彩賽事均爲球迷所津津樂道、報章更以大編幅的報導,這正反映出足球圈仍有耕耘者不斷在努力搞好球市,爲本地足球拼發出新氣象和新活力,本會寄望未來各支甲組隊伍共同努力,爲球壇帶來可喜的現象。

踏入7月,香港的球壇盛事一浪接一浪而來,即將於回歸石在港舉行的「香港特別行遊縣百在港舉行的「幕,而香港特別者港縣「色歸盃」,首先揭開序幕,而香港鄉灣「巴克聯」,實達標為一個高潮。世界級勁旅西班牙受護,為國際人工,與與傑志和喻園同場切磋球的勢必吸引大批不同國家和地區與及本事的國際體壇形象和知名度獲得提升。

員工及行政

董事局於今季繼續發揮其"三高風格"高效率、高透明度和高靈活性,領導和監察秘書處日常的運作,並且達到預期的效果。董事局亦與多個專責小組保持緊密的聯繫,協助訂立長遠和有利的發展策略。

Chairman's Report

The Hong Kong team continues to make progress following the participation in a series of international events over the past season. Their hard work and effort paid off with two notable victories over Bangladesh and two draws against Uzbekistan in the 2007 Asian Cup qualifiers. Both players and coaches performed well and showed a positive attitude. Another remarkable achievement came in the beginning of the year when the Hong Kong team came from behind to beat visitors Guangdong after extra times in the annual inter-port tournament. As a result, Hong Kong was able to retain the cup trophy and their outstanding performance also won the applause of the fans and all people in the football field.

In FIFA world rankings, Hong Kong achieved a record high of 109th place in September 2006. The ranking has not only injected new impetus into the Hong Kong team but also has justified our continued investment in providing the best training environment for football activities in Hong Kong. We will continue to work in the same direction in order to provide a better environment for the development of football in Hong Kong with a view to achieving improved results.

Football is no doubt the most popular sport in Hong Kong with no limit on age and class. Newly promoted side Wofoo Tai Po have shown how a district team can survive in top flight football and put up close fights against other traditional clubs. Their success has proven a bright future for district football development. The Association has long been working on district football and will continue to expand the scheme so that more youngsters and schools can set up their own teams to create an atmosphere for "Enjoy Football, Family Participation".

South China, a traditional powerhouse in local football, took a number of positive measures after a disappointing previous season in order to regain their glory. Eventually they lived up to the expectations by clinching a "triple" in the just concluded season. A full house was also recorded for a match at Mong Kok Stadium which has not been seen for many seasons.

Once again, football fans were able to enjoy exciting matches, with extensive coverage by the media. This has proven that many people in football are still committed to the sport and are willing to spend their time and effort to bring the fans back in the stadium. With combined efforts from all First Division clubs, we can now look forward to better environment for local football in the coming seasons.

In July, top class football will be able to see in Hong Kong one after another. On the Reunification Day, HKSAR 10th Anniversary Reunification Cup will raise the curtain of a busy football summer. Following that event, Hong Kong will host the Barclays Asia Trophy, with South China taking on English Premier League side Liverpool, and Portsmouth meeting Fulham at Hong Kong Stadium. In August, La Liga top side Barcelona will meet a joint team of Kitchee and Happy Valley at the same venue. With these world class teams to be featured in Hong Kong, it will definitely attract the fans from all over the region and raise the status of Hong Kong in international sport.

Staff and Administration

The Board of Directors continues to adopt its policy of "Efficiency, transparency and flexibility" to supervise the work of the secretariat and has achieved its target. The Board has also maintained a close working relationship with its various "Task Forces" in order to set up long-term and viable strategies for the development of football in Hong Kong.

In the past season, we received many overseas guests for international exchanges. In August 2006, a group of experts responsible for the 3rd generation artificial turf from FIFA conducted workshops in Hong Kong. They also visited the proposed Tseung Kwan O Training Centre. In September, FIFA Development Director Mr Urs Zanitti and Mr David Borja, Development Manager for Asia and Australia, toured the FA headquarters and the Tseung Kwan O Training Centre, and attended local matches.

另外,在過去的一季裏,本會的會長、主席、副主席、專責小組的成員和秘書處等均被獲委任為成員或委員的身份出席國際足協、亞洲足協和東亞足球聯會舉行的各項會議,並協助其會務的發展,提供支援及給予交流意見,當中包括賽事監管、裁判、教練、紀律、上訴、保安、技術發展、競賽籌備等多個範疇。

財政狀況

本季除了聯賽盃外,其他的各項錦標均獲得冠外,其他的各項錦標均獲得冠外,而本屆所有明組賽事事的然受到球營有河域。 一個學與和支持,如國際足球賽事的人數亦對於一個學別,如此是數數的人數,對於一個學的人數,對於一個學的人數,對於一個學的人數,對於一個學的人類,如此運用資源下,如此運用資源的,也是一個學的資源,不會的主義。

特區政府的支持

康樂及文化事務署除了與本會合作推動足球運動和舉辦多項青少年足球推廣計劃及地區訓練和賽事外,亦提供球場給予球會作為比賽及訓練之用。署方亦與本會定期舉行工作會議,檢討活動進度及制訂未來發展足運的目標。鑒於需求,本會希望署方對現時使用場地的政策,包括配額制度及時限節數方面能夠作出檢討,協助5人足球發展。

將軍澳足球訓練中心

本會獲得環保署同意撥出將軍澳堆填區第一期予本會興建足球訓練中心,以解決訓練場地支持不同題,同時香港賽馬會慈華基金同意撥款計劃達訓練中心的費用。為更有效地落實該計劃管內。會已成立專責小組行。而國際是指於軍澳訓練中心部份設與實別,提供資助。由於建築的等較原先估計大幅增加,本會現正與馬會商討增加撥款以便計劃能順利進行。

香港代表隊

在過去的一季,各級代表隊參加了不少國際賽事,與不同國家和地區競逐錦標和切磋球藝,得益良多,並且取得令人滿意的成績,這證明了一個有系統和完善的訓練與及教練與球員的努力是非常重要的。同時,本會亦感謝各球會對香港代表隊的支持和協助。

去年11月,代表隊完成亞洲盃外圍賽小組的所有 賽事,取得2勝2和2負的成績位列小組第3名,雖 然未能取得出線的資格,但球隊的整體表現理 想,尤以主客面對烏茲別克均能賽和對手,有出 色的表現;而亞運代表隊在2006多哈亞運會亦 同樣取得理想的成績,分組賽以1勝1和1負居於 小組第2位。今屆的省港盃賽,香港隊憑藉球員 的努力拚搏、堅強的鬥心和永不言敗的精神,在 球迷的鼓勵和支持下,在次回合反敗爲勝,從省 隊的手上取回今屆別具意義的省港盃;另外,足 總於去年7月派出14歲以下代表隊參加「東亞 U14足球節」,球隊的整體表現有明顯的進步, 並且獲得其他國家代表的讚賞。而去年9月,香 港於國際足協的排名更上升至第109位的新高。 至於本會的奧運代表隊所參加的2008北京奧運 足球預賽,港隊以1勝5負的成績完成所有比賽。

The duo was deeply impressed by the work in developing junior football through the participation of HK08 and HK09 teams in domestic competitions. In October, an eightmember delegation of Shanghai Sports Bureau, headed by its chief Yu Chen, visited HKFA to discuss matters concerning the future of the annual Hong Kong-Shanghai inter-port tournament. In April 2007, AFC's newly set-up Professional League Ad Hoc Committee and FIFA's security consultant visited Hong Kong and the latter praised the overall work of the Association.

In addition, the President, Vice-Chairmen, Task Force members, secretariat staff and myself participated in various FIFA, AFC and East Asian Football Federation meetings as either officials or members, and provided suggestions in the area of match supervision, refereeing, coaching, discipline matters, appeal, security, technical development, competition and organization.

Finance

All domestic competitions were held under a title sponsor, except the League Cup. Same amount of prize money for all First Division competitions was offered as the previous season. While our international events were well supported by the fans, gate receipt for domestic competitions had also improved tremendously from previous years. With the effective use of available resources, and the support from the sponsors and other joint ventures, we are able to maintain a healthy financial situation. Financial support given to representative teams at all levels and youth development is always adequate.

Government Support

We continue to work closely with the Leisure and Cultural Services Department in promoting football and organizing various junior development programmes as well as training and competitions for district teams. They also provided venues for our clubs usage. Regular meetings between the two bodies were held to review the progress and work out possible goals for the future development of football. With an ever-growing need in venues for five-aside football, we hope the Department will review its current hiring policy, including the quota system and number of sessions for this special discipline.

Tseung Kwan O Training Centre

With the support from the Environmental Protection Department and the Leisure and Cultural Services Department, a landfill site in Tseung Kwan O New Town has been secured for the construction of the Centre in an attempt to solve the problem of insufficient training venues. The Hong Kong Jockey Club Charities Trust has also agreed to provide funding for construction work. A Task Force, chaired by the President, has been established to monitor the progress and study the future operations of the Centre. In December 2006, FIFA agreed to provide monetary support for part of the Centre's facilities under their "Goal Project". However, the construction cost has been increased over the years since the planning stages, and the Association is now working with the Jockey Club for a revised level of subvention so as to make the project materialize as soon as possible.

Hong Kong Representative Teams

In the past season, the Representative teams participated in a number of international events and achieved many good results. With the hard work and effort of both players and coaches, the teams have improved a lot. This has proven the importance of providing systematic training and competitions. We would therefore like to thank the clubs for their unfailing support to the Hong Kong teams at different levels

年青球員是香港足球的未來接班人,他們除了接受有系統的訓練外,本會亦盡量讓青年代見了有系統的訓練外,本會亦盡量讓青年代見別,對鍛鍊他們的技術、戰術、團隊精神及別心都有莫大的裨益。今年3月,本會主辦以內代表隊參戰,雖然只能取得1勝2負的成績,代表隊的表現卻令人滿意。另外,本會的17歲以下代表隊和13歲以下代表隊於今年4月分別應邀參加第6屆全國城市運動會足球預賽和2007亞洲足協13歲以下足球節賽事,2支代表隊的整體表現理想,有不錯的成績。

於2004年成立的香港09,今季安排在丙組地區聯賽角逐,球隊表現出色,以不敗之師的成績取得該組別的冠軍,並且在升班附加賽取得亞軍,獲得來屆升上乙組比賽的資格;同時,球隊亦取得本屆青年聯賽20歲以下組別的亞軍,成績驕人。

在5人足球賽方面,今年5月,代表隊出征日本大阪參加2007亞洲足協五人足球錦標賽決賽週,結果代表隊不敵塔吉克和日本,但最後一仗擊敗菲律賓。

裁判及紀律

去年9月,本會派出4名學員前赴英國參加高級裁 判導師課程和裁判導師課程;10月,本會應邀 派出多名裁判前赴澳門參與第1屆葡語系運動會 11人足球賽的執法工作,期間表現出色,獲得 一致好評; 日本足總於去年10月至12月期間派 遣國際裁判員家本政明來港進行交流,而本會 亦於交流期間安排家本政明執法本地的賽事, 其後家本政明在本會主辦的裁判交流工作坊 中,與本地裁判員互相交流執法心得,並與他 們分享他過去一個月在港的生活體驗;11月, 本會的裁判監督及裁判員分別獲亞洲足協委派 到多哈擔任亞運會男子足球的裁判考核員及裁 判員;而今年4月,本會派出2名裁判員到北京參 加2007亞 洲 足 協U13東 亞 區 足 球 節 ; 2名 裁 判 導 師亦被委派參加6月在日本舉行的 FUTURO Ⅲ 裁 判導師溫故知新課程。

The Hong Kong team came third in the 2007 Asian Cup qualifiers after they completed all their matches in November 2006 with two wins and two draws. Although they could not make it into the Finals, their overall performance was not too disappointed which was well justified by their home and away draws against Uzbekistan. At the Asian Games in Doha, Qatar, Hong Kong finished second in the group stage with one win, one draw and one defeat. The Hong Kong team has made an impressive run at the annual inter-port tournament against Guangdong. With the support of the home fans, they came back from behind in the second leg to capture the title. In another tournament, an under-14 team took part in "EAFF U14 Football Festival" in July 2006. The team showed marked improvement and earned high tribute from other participating countries. In September, Hong Kong reached a record high of 109 in the FIFA world rankings. At the 2008 Beijing Olympic Games Asian zone qualifying tournament, Hong Kong finished disappointedly with one win and five defeats.

Young players are the future of football. Other than providing them with systematic training, we also give them sufficient international exposure so that they can improve their skills, tactics and team work as well.

In March, the under-15 team had a good experience in an international youth football tournament hosted by Hong Kong despite the fact that they managed only one win and two defeats. Also the under-17 and under-13 teams participated in the sixth National Inter-City Games Preliminary round and the AFC under-13 Football Festival in April and both teams returned with good performance.

Established in 2004, the HK09 team joined the Third Division District League in the beginning of the season and clinched the overall title without defeat. The team then secured promotion to the Second Division after finished 2nd in the play-off. They also came second in the Under-20 Youth League.

In futsal, Hong Kong qualified in the AFC Futsal Championship Finals in Osaka in May, 2007. The team lost to Tajikistan and the host, but beat the Philippines in the group stage.

Referee and Discipline

One of the major working areas of the Referee Task Force is to strengthen referee development and train up instructors, junior referees and referee assessors in order to raise referee standard and quality of referee assessors as well as to increase their sense of belonging to the Association. To reach the target, we hosted a number of assessors' seminars, referee's on site training seminars and arranged experienced referee instructors to help raise the standard of iunior referees through specific talks and the use of video tapes to review referees' performance. In addition, the Task Force has restructured the examination contents for the instructors and assessors in order to set up a more effective system. Also, referees now need to go through strict written examinations and fitness tests before they can register with the Association and to be assigned as referees in competitions. In September 2006, four referees and instructors were sent to England to attend courses for senior referee instructors and referee instructors. In October, we deployed referees for the inaugural 1st Lusofonia Games in Macau and they had all won the applause from the authorities. The Japanese Football Association sent a referee Masaaki lemoto to Hong Kong for international exchanges during October to December. While he was assigned for refereeing in domestic matches, he later also shared his experience with his local counterparts at workshop organized by the Association. In November, our referee supervisor and referees were assigned by AFC to referee and assess referees in the men's competitions at the Asian Games. In April, we sent two referees to Beijing for the 2007 AFC U-13 East Asian Football Festival. Also, two referee instructors attended the Futuro III Refreshers' Course for Refereeing Instructors in Japan.

為配合整體5人足球的發展,小組先後於去年10月和今年5月舉行5人足球裁判課程及5人足球裁判工作坊,提供有關裁判員的知識、執其巧、理論和實踐,並介紹和討論有關裁判員、5月,小組邀請英國國際裁判員萊利先生(Mr Mike Riley)出席本會主辦的裁判工作坊,與本地裁判員進行交流;萊利先生同時亦擔任來的移入是聯華國際足總盃決賽之裁判,而小組亦將於7月適逢英超聯巴克萊亞洲錦標賽舉行的期間激請英超聯執法之國際裁判與本地裁判進行交流及舉辦有關裁判之工作坊。

堅持公平競技是本會的宗旨,本會亦非常關注球賽的紀律;對於任何紀律問題和違規事件,紀律小組定必採取秉公辦理和中立的態度來理,並予以適當的處分,以保障賽事的質素。本會亦向各參賽組別的球隊加強敎育和宣傳。平競技的訊息,爲鼓勵公平競技,本季紀律良好的乙、丙組球隊將會獲發資助金作爲獎勵。

賽事

今年度有多項甲組賽事獲得冠名贊助,各項賽事都設立獎金和個人獎項作爲鼓勵,各支參賽的隊伍均加強實力,使本季賽事競爭更趨激烈、更具吸引力和娛樂性。由於本年度甲組球隊的實力相當接近,競爭刺激,賽事的入座率較去季有明顯的上升,而旺角大球場的平均入座人數較去季增加50%。

爲延續發展青訓的模式和概念與及增加各隊員 之作戰能力和吸收更多的比賽經驗,本會於今 季接納重組後加強了實力的香港08再度加入快 意空調甲組賽事的行列,並邀請南華繼續在甲 組角逐。來自內地球隊東莞聯華俱樂部今季易 名 聯 華 紅 牛 獲 得 本 會 的 批 准 再 次 來 港 角 逐 甲 組 賽事;加上2支乙組升班隊伍港會和地區球隊和 富大埔加入競逐行列,為甲組聯賽注入新動 力 , 使到本季賽事競爭激烈。結果 , 今屆重整 旗鼓的南華,戰績彪炳,銳不可當,先後贏取 了彩豐行高級組銀牌、快意空調甲組聯賽和聯 華國際足總盃3項錦標冠軍,成爲本地賽事的 3冠王,並取得代表香港角逐「巴克萊亞洲錦標 賽 」 的 參 賽 資 格 。 傑 志 稱 霸 聯 賽 盃 , 流 浪 則 登 上甲組室內5人足球賽的冠軍寶座。此外,香雪 晨曦於去年亞洲足協盃中勇闖八強。

To strengthen the overall development of futsal in Hong Kong, the Task Force staged a futsal football referee course and a workshop for futsal referees in October 2006 and May 2007 respectively. The programmes provided knowledge, skill, theory and practical problems for the referees when they are deployed for matches as well as rules and regulations for futsal. In May 2007, Mr. Mike Riley, FIFA referee from England, was invited to host workshops in Hong Kong and shared his experience with local referees. Mr Riley also refereed in the final of Lanwa International FA Cup. When the Barclays Asia Trophy takes place in Hong Kong in July, we will also invite referees from the English Premier League to stage workshops and share their experience with local referees.

Fair play is upheld by the Association and we are always concerned with the disciplinary records of matches at all levels. The Disciplinary Task Force handles all cases with strict measures without prejudice and gives proper sentences in order to guarantee the quality of local matches. In addition, we will also promote and educate clubs on fair competition; and clubs with good disciplinary records in the junior divisions have been rewarded with cash incentive.

Matches

Most First Division competitions received title sponsors for the past season, with cash awards as well as individual prizes as incentives. The competition among clubs was so competitive that more fans were attracted to attend

matches. The total gate receipt has achieved a marked improvement on the previous season and the average number of attendance at Mongkok Stadium has increased by 50 per cent.

To continue our policy of providing more exposure for junior football development, a strengthened HK08 took part in top flight football for another season, whereas South China were also invited to remain in the Coolpoint Ventilation First Division League . With Dongguan based Lanwa successfully secured a sponsor and renamed as Lanwa Redbull and the arrival of two newly promoted sides Hong Kong Football Club and district team Wofoo Tai Po, the First Division became more exciting and competitive. At the end of the season, a rejuvenated South China surged to the top of the world, clinching three titles Choi Fung Hong Senior Shield, Coolpoint Ventilation First Division League and Lanwa International FA Cup as well secured the qualification to represent Hong Kong in the Barclays Asia Trophy. Kitchee took the remaining title the League Cup while Rangers clinched the Nike First Division Indoor Futsal title. In international event, Sun Hei reached the quarterfinals in the AFC Cup.

今季有多支球隊擁有球迷會和自發組成的打氣團,本會盡力協助和配合球會宣傳活動,除了使球賽的氣氛和球會的形象獲得提升外,同時亦強化了本會與球迷之間的關係。

每年一度的賀歲盃,今年邀請中國、澳洲和牙買加3支奧運代表隊與本會派出的香港聯賽選手隊角逐錦標,比賽刺激緊湊,最後由牙買加奧運代表隊以互射點球氣走中國奧運代表隊惠,香港聯賽選手隊2度因互射點球而落敗,屈居殿軍,實有點不值。賽事的入座率及球場內、外之氣氛都相當理想,而參賽隊伍亦十分滿意本會的整體安排。

青訓發展

Many teams have organized their own fan clubs for more support, and the Association also worked the best to help the clubs' promotional activities. As a result, the popularity of clubs has been raised and there was also better atmosphere in the stadium. The relationship between the Association and the fans had also been improved.

At the annual Lunar New Year Cup, three overseas Olympic teams, namely China, Australia and Jamaica, were invited to play against the local League XI. In the final, Jamaica beat China after a thrilling penalty shoot-out to lift the trophy whereas the poor home side lost twice, both after penalty shoot-out, to come fourth. The Association was delighted with the number of attendance and both the on and off field atmosphere while all the participating teams praised the overall arrangements of the tournament.

Youth Development

Junior development always remains a top priority of the Association. By providing systematic training to the youngsters, we hope to identify players who will be able to come through the ranks to succeed in the sport. In the past season, District Team Training Programmes were held in all 18 districts, with 16 districts joining the "Young Athlete Training Programme"and 13 districts joining the "Primary Athletes Training Programme".

To consolidate the district programme, it was decided, in consultation with District Councils, the two levels of training programme would link with the Third Division teams in all districts. The teams will now be responsible for providing technical and coaching support for all junior programmes as well as long-term development for their own district. The Association will take care of the administration of the district teams and provides supervisor to help individual district.

To continue our support to football development in schools, the Association provided technical support and coach referral to School Sports Section of the Leisure and Cultural Services Department. During the year, we organized a number of demonstrations and fun days for schools as well as football leaders and referee courses for the students. Also, the Association assisted the section to organize "Out reaching football coach programme" and asked them to help arrange students to attend Hong Kong team matches free of charge. The students were encouraged to cheer for the Hong Kong team.

教練培訓

一直以來,本會十分關注和重視教練導師的培訓工作,除了定期舉辦工作坊及講座灌輸最新的知識以提高教練的專業知識和水平外,亦會定期檢討各教練課程的內容讓他們對教練的日常表現作出檢討和予以適當制、註册制之個人。 季繼續沿用去屆的教練培訓體制、註册制度和統一的教學方針,提升教練的質素。多名本地教練和導師分別獲得國際足協及亞洲足協委派工作,證明其能力獲得肯定。

本會教練導師陳淑芝榮獲國際足協委派於去年8月至9月舉行的「世界女子青年足球錦標賽」中出任技術分析員,除協助球賽分析外,亦負責選出每場賽事的最佳球員,成爲首位女性華人於國際賽事中擔任技術分析員;而陳淑芝和本會另一位教練導師黃若玲於12月同獲國際足協委派前往巴林及約旦主持女子教練講習班。

今年1月,本會委派2名代表隊教練前赴日本參加「日本足總研討會2007」,獲益良多,他們汲取了有關足球的技術分析,在回港後爲本會安排教練講座與本會其他教練導師分享所學的最新資訊。另外,本會推薦2名教練於3月前往日本參加「日本足總教練課程」,汲取有關訓練12歲或以下青少年的知識,期後2位教練亦同樣爲本會安排教練講座,分享所學之最新資訊。

The ever popular "HKFA Junior Fans club" has so far attracted 1,500 members, who are free to attend all local First Division matches and can act as marching ambassadors for international matches. Members can also join our football activities and training courses. Other than activities in Hong Kong, the Association also held a "Family Football Camp" in Qingyuan, Guangdong in August 2006 with 70 participants from 23 families. In April 2007, we also referred our members to join the 50th Festival of Sports family football programme. As family camp is well received by the participants, we will

organise another camp in Jianlibo training base in Foshan this summer.

We continue to work closely with the LCSD to promote grassroots football. A number of joint activities were held during the season, including"Young Athletes, Primary Athletes and District Team Training Programmes", "Regional Squad Training" "Youth Promotion Scheme" "Nike Youth League and Nike Football Five" to provide training opportunities for youngsters at different levels and ages. Also, we continue to organize the Elite Youth League to provide training opportunities for our young players. In the coming season, we will work with "now TV" to start a brand new "now TV Youth Football Scheme" which is comprised of four different phases. Other than training and competition, more involvement from the parents will be added into the scheme. The new scheme will start in July and participants will have the opportunity to be selected for overseas training.

Coach Development

Over the years, we have made a lot of effort in improving the quality of coach development. Workshops and seminars have been held on a regular basis to provide coaches most updated knowledge to raise their standard. The Association has also reviewed its coaching course contents and curriculum regularly to ensure quality of the programmes. We adopted the same policy this season to lift the standard of coaches in Hong Kong

今年1月,本會委派2名代表隊教練前赴日本參加「日本足總研討會2007」,獲益良多,他們汲取了有關足球的技術分析,在回港後爲本會安排教練講座與本會其他教練導師分享所學的最新資訊。另外,本會推薦2名教練於3月前往日本參加「日本足總教練課程」,汲取有關訓練12歲或以下青少年的知識,期後2位教練亦同樣爲本會安排教練講座,分享所學之最新資訊。

亞洲足協委任本會5位資深教練和導師為亞洲足協 導師,上述導師於今年1月出席假馬來西亞吉隆坡 舉行之亞洲足協精英教練導師課程。各導師將透 過課程所獲得的最新資訊協助本地教練培訓之發 展。而亞洲足協亦分別於3月及5月期間邀請本會 教練導師前往中國和伊朗擔任導師授課。

本會 今季繼續舉辦多個受廣大歡迎的教練課程,當中包括青年領袖證書課程、各級別教練課程及亞洲足協教練課程等,爲有興趣投身足球訓練的人士,提供專門的培訓,把足球運動推向普及化。而本年度B及C級教練課程安排在內地佛山三水舉行。

為協助球會制定有關訓練方案和了解香港各組別球隊的打法與及球隊的強項和弱點,本會技術部於今年度繼續派出高級教練和教練導師分別為不同組別的比賽作出技術分析,提供分析數據予教練以協助提升球隊能力,並就這些分析釐定訓練年青球員的技術重點。在長遠發展方面,技術部將考慮擴大分析範圍至甲組,協助甲組球會作技術分析,該分析數據可協助教練更了解球員的能力,從而提升球隊質素。

市場推廣及對外關係

adidas繼續贊助香港各級代表隊的裝備。另外, nike香港有限公司、彩豐行有限公司和飛利浦電子香港有限公司分別捐贈款項支持本地青年足球培訓。此外,本會今季繼續聯同快意空調設備有限公司和仁濟醫院攜手合作舉辦本季聯賽揭幕戰頭場慈善表演賽,爲仁濟醫院各項服務基金籌得近15萬元的善款,共襄善舉。

A number of local coaches and instructors were assigned by the FIFA and AFC for overseas deployment in the past season. Coach instructor - Chan Shuk-chi, was appointed by the FIFA as technical analyst for the "World Women's Youth Championship" in August and September 2006 and became the first Chinese woman to be assigned the job. She was also responsible for selecting the best player of each match. Chan and another instructor Wong Yeuk-ling were both appointed by the FIFA to run women's coaching courses in Bahrain and Jordan last December.

In January, we sent two Hong Kong Representative Team coaches for "Japan Football Association Seminar 2007" and upon their return, they shared their experience with other local coaches regarding what they had learnt in the latest development in football. In addition, we recommended two coaches in March for "Japan Football Association Coaching Course" where they learnt how to coach under-12 players. The two coaches also shared their knowledge with other local coaches after they returned to Hong Kong.

Five experience coach instructors were appointed by the AFC as Coach Instructors and attended the AFC Elite Coaching Instructor Course in Kuala Lumpur in January. They are now helping other coaches with what they have learnt from the course. In March and May, our Coaching Instructor was invited by the AFC to run courses in China and Iran.

The Association continued to provide training courses for people who are interested in football coaching. Youth Leader Certificate, different level's coaching courses and AFC Coaching course were held to provide training in specific areas so that more people can join coaching to make the sport more popular. The AFC B and C License Coaching Course were held in Foshan, Guangdong.

Match analysis was carried out by our technical teams at different levels of matches. The findings were used to help coaches identify the strength and weaknesses of individual teams and provide relevant data for improvement. The findings were used to help junior players when preparing training programmes for them. In a long run, we hope to help First Division clubs conduct their own analysis so that the coaches can have better understanding of their players before raising the standard of their teams.

Marketing and External Relationship

adidas continued to sponsor football gear for Representative Teams at all levels while nike Hong Kong Ltd, Choi Fung Hong and Philips Hong Kong also made donation to support youth football development. In addition, the Association, Coolpoint Ventilation and Yan Chai Hospital joined hands to stage a charity match at the domestic First Division League curtain raiser. A total of HK\$150,000 was raised for the hospital's various services.

Most First Division competitions received title sponsorship, including "Coolpoint Ventilation First Division League", "Choi Fung Hong Senior Shield", "Lanwa International FA Cup". In addition, we also worked with other sponsors in organizing "Nike Hong Kong Youth League Manchester United Premier Cup 2007", "Nike Hong Kong Football 5" and "Nike Hong Kong First Division Indoor Futsal". All these competitions received good responses from the participants, showcasing the magic of football and its huge potential market.

Also, the "now TV Hong Kong Top Footballer Awards", sponsored by now TV was successfully held with a total of 6,622 ballots. The Awards recognized the hard work of football elite as well as helped promote local football.

今屆有多項的甲組賽事都獲得冠名贊助,包括「快意空調甲組聯賽」、「彩豐行高級組銀牌賽」、和「聯華國際足總盃」;此外更與贊助商繼續緊密合作,成功舉辦「Nike青少年足球聯賽 曼聯超級盃世界賽2007」、「Nike香港五人足球賽2006」、和「Nike甲組室內5人賽」等大型賽事。這些活動均反應熱烈,並且獲得好評,顯示出足球的魅力和龐大的市場。

除此之外,由now TV贊助的「now TV香港足球明星選舉」亦順利舉行,是次選舉投票踴躍,共收到6622張選票,多個獎項都名花有主,選舉除了表揚台前幕後的球壇精英外,對

就市務及宣傳推廣方面,本會已進行多項活 動,而今季入場人數亦有上升的情況;爲吸引 更 多 球 迷 入 場 欣 賞 賽 事 和 支 持 香 港 代 表 隊 , 我 們亦推行了相關的措施,如購票及入場優惠: 包括長者及學生特惠票優惠、4人同行,1人觅 費 、 揭 幕 戰 票 尾 換 取 亞 洲 盃 贈 券 、 入 場 球 迷 可 獲贈 贊 助 商 送 出 的 贈 品 、 觅 費 隨 本 會 前 赴 番 禺 觀看省港盃和本會送出全年兒費入場優惠等; 賀 歲 盃 推 出 兩 日 套 票 、 印 制 宣 傳 性 利 是 封 及 紙 巾、在 觅 費 報 章 刊 登 廣 告 和 在 銅 鑼 灣 鬧 市 大 螢 幕播放電視宣傳片段和於賽事當日安排啦啦隊 表演等;製作香港代表隊打氣棒、協助球迷申 請打氣用品進入球場;安排學校師生入場觀看 香港隊主場賽事,並支持香港隊;為不同非牟 利的團體安排有需要的人仕觅費入場觀看賽事 等。

在公眾及傳媒之間的關係方面,本會加強與傳媒的溝通和合作,並保持緊密的聯繫,豎立正面的形象;同時,本會已增強了球場內的設施,方便傳媒上網。

We have organized various marketing and promotional activities resulting in an increase in attendance to local matches. To attract more fans to the stadium and support the Hong Kong team, we introduced several promotional initiatives such as senior citizens and students reduced price tickets, buy three get one free ticket, complimentary AFC Cup tickets when attending the Coolpoint Ventilation First Division League curtain raiser, free give-a-way by sponsors, free trips to Hong Kong Guangdong inter-port tournament as well as all year round free tickets, two-day package tickets for the Lunar New Year Tournament together with free red packets and tissue paper packs, newspaper advertisement of the event and TV commercial on the giant diamond screen in Causeway Bay, free props to support Hong Kong team, free tickets for student to attend Hong Kong team matches, and free tickets for members of non-profit making organizations.

Other than the above activities, we uploaded update information onto the official website on a daily basis, both English and Chinese versions, with a hit-rate of 600,000 per day. In future, we are going to enrich the contents of the web-site through updating the latest news and information, and uploading match highlight footage for free download in a bid to expand our promotional activities and provide the community more information on football in Hong Kong. A data base for the Hong Kong Team is under construction and is expected to be launched soon.

We have strengthened the working relationship with the media in order to set up a positive image of the Association; in addition, we have also improved the communication system inside the stadium by providing the media internet connection.

Future Direction

Looking ahead, the Association will continue to work on the promotion of overall football development in Hong Kong. More resources will be allocated to our development programmes in order to match the long-term strategy of developing youth football. At the same time, we will strive for more government funding and a policy that suits a viable development of football in Hong Kong.

As for domestic competition, we will maintain a 10-team First Division League for next season. We also look forward to more investment into local football so as to make the matches more exciting to watch. In addition, we will strengthen the relationship with the fans so that they can have more sense of belonging to football and better confidence of the sport in Hong Kong.

On the international front, we have set sights on the 2007 East Asian Championship qualifying tournament which kicks off in Macau in June 2007. To better prepare for the event, we played a friendly game against Indonesia in Jakarta in early June and hopefully we can make it into next year's finals.

In addition, we will host or co-host three major international football tournaments in the summer, including the "HKSAR 10th Anniversary Reunification Cup", "Barclays Asia Trophy" and Mission Hills Cup. We will work our best to make all these events a big success in enhancing the image of Hong Kong in world sport as well raising the international status of the Association and promoting local football development.

Youth development is always on top of our agenda. The Association will continue to promote district football by providing formal and systematic training, and competitions so as to identify more potential players for the development of football at different levels.
