不經不覺香港足球總會已踏入95週年，本會於過去的一年經歷了不少考驗，本人很高興目睹去年在梁孔德主席、各董事局成員及秘書處職員與及各球圈人士的齊心協力下，朝着我們已訂下的目標、發展策略和方針，循序漸進地推行，在很多方面都取得成效；而更可喜的是我們能夠通過這些考驗，從中汲取寶貴的經驗，不斷修正，為未來的香港足運發展，製訂更長遠和更有效的策略。

來季，我們的工作將會面對更加艱巨的挑戰，首要的任務除了繼續維持職業賽事的正常運用之外，亦要提高本地球賽的水平和加強球員的質素，建立球迷對本地足球的信心；另外，我們亦要加強發展青訓和基層足球推廣的工作，為未來培訓出更多優秀的接班人，為香港創造一個良好的足球發展環境。

本人深信只要保持著我們對足球的信念和熱誠，致力以推動及發展本地足運為主要目標，共同努力，自強不息，發揮群策群力的精神，香港的足球運動在不久的日子裏，必定會重現曙光，創出一番新景象。同時，本人亦希望能夠獲得大家的繼續支持及鼓勵，攜手合作，重振本地足球聲威，令足球運動在香港發揚光大。

最後，本人希望能藉此機會向梁孔德主席、董事局各董事成員、各專責小組成員及秘書處各同事在過去一年的努力耕耘致以謝忱；同時，亦感謝政府、社會各界、新聞界及各贊助商對推動足運的鼎力支持。

霍震霆 GBS 太平紳士
香港足球總會會長

Time flies and HKFA is commemorating its 95th anniversary. During the past 12 months, HKFA has been putting through its paces. With the efforts of the Chairman Mr. Brian Leung, the Board of Directors, the staffs at the Secretariat and all football partakers, I am delighted to see that, by progressively moving towards our pre-determined goals, development strategies and directions, HKFA has attained satisfactory results in many aspects. More delightful is that we have conquered challenges and gained valuable experiences to arrive at a farsighted and effective strategy for the future development of Hong Kong football.

In the forthcoming season, our works will be more challenging. In addition to the first and foremost task of maintaining the normal operation of professional competitions, we aim to raise the standard of local competitions and strengthen the quality of football players so as to gain confidence from football fans in local football. Also, to recruit more outstanding football players for the future through training and to create a better environment for the development of Hong Kong football, we must reinforce the development of youth training and the promotion of fundamental football.

I sincerely believe that by keeping our faith and enthusiasm on football and aiming on the promotion and development of local football, we work together, strive together to demonstrate our spirit, Hong Kong football must awaken the dawn and turn itself to a new page in a near future. Meanwhile, I would like to be honoured with your continued support and encouragement to revive the reputation of local football and to develop football in Hong Kong.

Last, but not least, I wish to take this opportunity to extend my thankfulness to the Chairman Mr. Brian Leung, the Board of Directors, members of various Task Forces and staffs at the Secretariat for all their hard work during the past year. At the same time, I would like to thank the Government, the media and our sponsors for their generous support in promoting local football.

The Hon. Timothy T T Fok, GBS, J.P.
President, The Hong Kong Football Association

前言

儘管本地足球運動在過去的一季受到經濟不景與一些不利的因素所影響，但卻沒有動搖本會對推動和發展本地足球運動的決心。雖然本會在今年所籌辦的某些項目與活動中，都遇上了不少困難，幸好本會得到政府、贊助商、對投資足球活動及熱心參與足運的球團人士的支持和各甲組球會的鼎力合作，在各方面的共同努力下，使到本會能夠完成事先所制訂的目標。作為對發展香港足球運動的一份使命和承諾，本會仍繼續積極推動本地足球運動的發展，並投放更多資源及提供更完善的訓練予各級代表隊。

為鼓勵及推動地區參與足球運動和擴大地區球迷基礎，主客制的實施是香港足球未來發展的一項長遠計劃。本會於今季開始落實推行主客制，本地兩支地區球隊新界地產和富大埔和天水圍飛馬分別在大埔和元朗舉行過球賽及各種活動，藉此推廣足球賽事和提高區內居民對參與足球運動的興趣，從中加強地區的凝聚力與歸屬感，並且收到了相當的成效，這確實是一個令人鼓舞的好開始。

雖然今季本地賽事因隊數增加而變得緊密，但代表隊教練及球員均能把有限之備戰時間，積極練習，球隊努力不懈的表現亦贏得球迷的支持及鼓勵。縱使代表隊在亞洲盃外圍賽的成績或許較不少球迷失望，然而本會和各甲組球會並不會因此而放棄發展代表隊的工作，他們更在聯賽和球會訓練計劃上為代表隊作出多番的選拔和諒解，繼續支持代表隊。今年初，第31屆省港盃賽事，代表隊在落後兩球的劣勢下，在次回合扭轉局勢，後來居上，反勝對手，蟬聯省港盃。這除了各球員均發揮出拼搏精神及充滿鬥志的表現外，各甲組球會的配合和球迷的支持實是功不可沒。代表隊努力的成果確令球迷重拾對代表隊的信心，而且還獲得傳媒的一致好評。

員工及行政

董事局今季繼續以高效率運作，並發揮其靈活及高透明度的特性。董事局除了定期召開會議外，亦不時舉行聚會，監察本會日常的運作，檢討秘書處的工作進度和共同商議及策劃製訂有關推動本地足球運動發展的各項大計和藍圖。多個專責小組亦發揮出其應有的職能，與董事局保持緊密的聯繫，協助本會訂立長遠和有利發展的策略及執行監管的工作。小組成員由專業人士及地區代表出任，集思廣益，為本會提供寶貴的意見。而秘書處亦擔當其重要的問責角色，有效地運用資源，繼續進行處理及執行董事局訂定的發展策略。

本會於去年10月協助國際足協在香港舉辦「未來之路III—行政及管理導師課程」，課程目的是為東亞區培訓行政管理導師，以協助教導國際足協的有關課程，參加課程的學員分別來自東亞區7個總會合共17人。

另外，在過去的一季裏，本會的會長、名譽副會長、專責小組的成員和秘書處等均獲委任為成員或委員的身份出席國際足協、亞洲足協和東亞足球聯合會舉行的各項會議，並協助其會務的發展，提供支援及給予交流意見，當中包括裁判、教練、紀律、上訴、保安、技術發展、競賽、足球籌備、法律等多個範疇。

Foreword

Notwithstanding the economic downturn and other adverse factors that affect local football in the past season, nothing has shaken the will of HKFA to develop and promote local football. Although we have encountered numerous difficulties when organizing various projects and activities this year, with the support of the government, our sponsors, investors and enthusiastic football participants and the co-operation of the 1st division football clubs, all together, we accomplished our pre-determined goal. Being our mission and pledge, HKFA will continue to promote the development of Hong Kong football and will allot more resources and provide more thorough training to representative teams of all divisions.

To encourage and promote district's participation in football and to expand the foundation of district football fans, the implementation of the home-and-away system is a long-term plan for the future development of Hong Kong football. HKFA starts implementing the home-and-away system this season. Two local district teams, NT Really Wofoo Tai Po and TSW Pegasus, held matches and various kinds of activity in Taipo and Yuen Long respectively, which resulted in a proofing effect in promoting football matches and enhancing interest of local district residents in participating in football games and further strengthened the cohesion and sense of belonging within the district. This really is an encouraging good start.

Local matches this season have been intensified by the increase of the number of participating teams, however, coaches and players of representative team managed to grasp the limited time and practice vigorously. Such efforts has won the support and cheering from fans. Maybe the result of the Hong Kong Representative Team in the Asian Cup Qualifying Round has disappointed a lot of its fans, however, HKFA and the 1st division football clubs will not give up our works in the development of the Hong Kong Representative Team. To show their continued support to the Hong Kong Representative Team, football clubs have implemented a number of accommodations and understandings in league and football clubs training programme. In the 31st Guangdong-Hong Kong Cup early this year, while falling behind by two goals, the Hong Kong Representative Team reversed the situation in the second round, caught up, overtook their opponents and defended the Guangdong-Hong Kong Cup. Besides giving merit to football players for their well-demonstration of the "keep forgoing ahead" spirit and the will to fight, credits shall also be given to the 1st division football clubs for their coordination and to fans for their support. The efforts of the Hong Kong Representative Team have regained the confidence from fans and have won the favourable views from media.

Staff and Administration

This season, the Board of Directors will continue to operate with high efficiency, and will bring its characteristics of flexibility and transparency in full play. Apart from calling meetings on a regular basis, the Board will held gathering from time to time to monitor the daily operation of HKFA, to review the work progress of the Secretariat and to discuss and set down plans and blueprints for the promotion and development of local football. Various Task Forces have also played their job responsibility in full. They have maintained close working relationship with the Board, assisted HKFA in setting down long-term and viable strategies for the development of football in Hong Kong and executed the supervisory job. Members of the Task Forces are undertaken by professionals and district representatives who, when work together, provide HKFA with valuable opinions. The Secretariat has also undertaken the important role of accountability, with the effective use of resources, it continues to handle and execute the development strategies set down by the Board of Directors.

Last October, we assisted FIFA in hosting the "Futuro III – Administration and Management Instructors' Course". The course focuses on training administration and management instructors in the South-Asia district who would then assist FIFA in teaching relevant courses provided. The 17 participants of the course came from 7 member associations in the South-Asia district.

Further, in the past season, the President, the Honorary Vice-President, Task Force members and Secretariat staffs have participated, as either appointed members or committees, in various meetings of FIFA, AFC and East Asian Football Federation (EAFF), assisted in the development of their businesses, provided support and exchanged views in various aspects such as referee, coach, discipline, appeal, security, technical development, competition, organization and laws.

財政狀況

因受到經濟不景的關係，本地球市亦深受影響，一些大型國際賽事如賀歲盃的收入亦未如理想。在經濟困難的環境下，秘書處盡量控制和減少不必要的開支，並有效地運用資源，同時更積極尋求資助及其他收入，以確保本會能保持正常運作。另外，本會今年在各級代表隊和青訓發展方面投放更多的資源，以確保其得到足夠的支援。

特區政府的支持

康樂及文化事務署除了與本會合作推動足球運動和舉辦多項青少年足球推廣計劃及地區訓練和賽事外，亦提供球場給予球會作為比賽及訓練之用。署方亦與本會定期舉行工作會議，檢討活動進度及制訂未來發展足運的目標。本會秘書處於今年2月出席由署方假秘書處舉行之旺角大球場改善工程會議，商討改善工程的問題。

今年3月，本會秘書處出席由署方假沙田運動場舉行之提升沙田運動場設施會議，商討改善沙田運動場設施建議。另外，本會亦與署方進行洽談有關香港大球場續約租費過高之問題，並向署方多次作出反映，希望能夠解決多年來存在的高收費政策問題。為進一步發展及推廣地區五人足球賽，本會亦與署方洽談，希望署方協助於各區硬地足球場增加五人足球的界線。而東亞運動會於今年底在香港舉行，本會將會參與負責協助球場內的運作事宜。

香港代表隊

各級代表隊於季內都參加了多個國際賽事及友誼賽，與不同實力的對手較量和切磋球藝，獲益良多，並且取得令人滿意的成績，這些鍛鍊機會能擴闊球員的視野，有助提升他們的水平。有感於代表隊的表現對整體足球發展的重要性，本會本季投放更多資源及人力於港隊的訓練，並設立一個有系統和完善的訓練制度，各級代表隊都獲得提供適當的本地或海外集訓及熱身賽的機會；此外，亦給予球員在體能及傷患療養等各方面得到充份的照顧。同時，本會亦感謝各球會對香港代表隊的支持和協助。

為備戰2011亞洲盃外圍賽，代表隊先後於去年11月和今年1月與澳門和印度進行熱身賽，結果兩場賽事都取得勝利。而在2011亞洲盃外圍賽的賽事中，代表隊的整體表現令人滿意，雖然球隊目前的成績暫列小組榜末，但爭取出線的機會仍未絕望。今屆的省港盃賽，代表隊憑藉球員的努力拚搏和頑強的鬥心與及永不言敗的精神，終於在球迷的鼓勵和支持下，在次回合反敗為勝，以總比數5:4氣走省隊，成功衛冕省港盃，連續3屆登上冠軍寶座；另外，本會於去年7月派出14歲以下代表隊前赴關島參加「2008東亞足球聯合會青年（14歲以下）足球節」，取得2勝2和4負的成績，表現理想。今年4月，本會再派出一支13歲以下的代表隊參加在中國北京舉行的「2009亞洲足協青年（13歲以下）足球節」，球隊的整體表現進步，獲得3勝1和6負的成績。

年青球員是香港足球的未來棟樑，他們除了接受有系統的訓練外，本會亦會盡量安排青年代表隊參加各級別的國際足球比賽，讓他們得到更多的比賽機會，同時亦能藉此作交流和學習，增廣見聞，對鍛鍊他們的技術、戰術、團隊精神及身心都有莫大的裨益。今年1月，本會主辦的2009國際青年20歲以下及15歲以下足球邀請賽，本會先後派出備戰全國運動會的20歲以下代表隊和一支15歲以下的代表隊參戰，雖然前者成績未如理想，位居末席，但後者卻獲得賽事的亞軍，兩支代表隊的表現卻令人滿意。

Financial Condition

Local football has been materially affected by the adverse economy. Incomes from large-scale international competitions, such as Lunar New Year Cup, was unsatisfactory. Under such difficult economic environment, the Secretariat has controlled and reduced unnecessary expenditures, and used resources effectively. Meanwhile, to ensure the normal operation of HKFA, the Secretariat has been proactively seeking funding and other sources of income. Also, this year, HKFA has allotted more resources in representative teams of all divisions and in youth training to ensure that they have received adequate support.

Support from the HKSAR Government

Apart from cooperating with HKFA in promoting football and organizing various football promotion programmes for the youngster, district trainings and competitions, the Leisure and Cultural Services Department (LCSD) also provided venues for our clubs to use for competition and training purposes. Also, LCSD and HKFA held meetings on a regular basis to review the progress of activities and set down goals for the future development of football. This February, HKFA Secretariat participated in the "Meeting on the Improvement Works of Mongkok Stadium" held by LCSD in which issues regarding the improvements works was discussed.

This March, HKFA Secretariat participated in the "Meeting on the Facilities Upgrade of Shatin Stadium" held by LCSD in which suggestions regarding the improvement of facilities of Shatin Stadium was discussed. Besides, HKFA negotiated with LCSD on the over-priced renewal rental of the Hong Kong Stadium with a hope to resolve the high-price policy that has been in existence for years. To further develop and promote futsal among districts, HKFA discussed with LCSD regarding the marking of soccer line for futsal at hard-surfaced soccer pitches of all districts. Further, HKFA will be responsible for assisting the operation of stadiums of the East Asian Games held in Hong Kong later this year.

The Hong Kong Representative Teams

This season, representative teams of all divisions have participated in various international tournaments and friendly matches wherein they competed with and learned from opponents with different strengths and gained a lot of valuable experiences and achieved satisfactory results. These training opportunities widen players' visions and raised their level. In the view that the performance of the representative teams plays an important role in overall football development, this season, HKFA will allot more resources and manpower to the training of the Hong Kong Representative Teams and will build a systematic and integrated training programme which provides representative teams of all divisions with suitable local or overseas trainings and gives them opportunity to participate in warm-up match. Also, HKFA has adequately taken care of the physical fitness and injuries convalescence of the players. HKFA are grateful for the support and assistance given by football clubs to the Hong Kong Representative Teams.

To prepare for the 2011 Asian Cup Qualifying Round, the representative team has participated in warm-up match with Macau and India in November 2008 and January 2009 respectively, wherein the

representative team has victory. The performance of the representative team in matches of the 2011 Asian Cup Qualifying Round was satisfactory. Although the team currently ranks in the bottom within its group, its opportunity to qualify has yet to despair. In this year's Guangdong-Hong Kong Cup Competitions, with the persistent morale, fierce stamina and the "never surrender" spirit of the players, together with the encouragement and support from fans, the representative team turned defeat into victory in the second round, defeated the Guangdong team by 5:4 and defended the Guangdong-Hong Kong Cup in 3 consecutive years. In July of last year, HKFA sent a team of U14 to Guam to participate in the 2008 EAFF U14 Youth Festival in which the team performed satisfactorily with a result of two wins, two draws and four defeats. This April, HKFA appointed a team of U13 to take part in the 2009 AFC U13 Festival of Football in which the team showed marked improvement with 3 wins, 1 draw and 6 defeats.

Youngster, with their great ability and tremendous potential, are the future hope of Hong Kong football. On top of systematic trainings, for them to gain more competition opportunities, to exchange experience and learn from each others, to expand knowledge and to receive training on technique, tactic, team spirit and physical and mental fitness, HKFA provides the youth representative teams with opportunity to participate in international football matches of all kinds. This January, HKFA appointed a team of U20 which was preparing for the All China Games and a team of U15 to take part in the "2009 International Youth U20 and U15 Football Invitation Tournament" launched by us. Although the team of U20 turned out to be underachieved and ranked dead last, the team of U15 was the runner-up of the tournament. The overall performance of both of the teams was indeed satisfactory.

May of this year, HKFA appointment a team of U20 to Chongqing, China to take part in the preliminary matches of the 11th All China Games. Although the youngster failed to qualify to the final round, after nine-months of training, members of the All China Games Representative Team have shown satisfactory performance in overall cooperation and utilization of techniques.

今年5月，本會派出20歲以下代表隊前往中國重慶參加第11屆全國運動會預賽，雖然一眾年輕小將在預賽中未能晉身決賽週，但全運隊成員經過9個月的訓練，在整體合作和技術發揮上都有令人滿意的表現。

為備戰2010東亞足球錦標賽外圍賽和2009東亞運動會，本會於去年成立東亞運集訓隊，並安排在克羅地亞進行集訓，與當地球會進行友誼賽。去年6月，集訓隊應邀前赴中國杭州參加2008杭州賽博足球俱樂部10周年邀請賽，取得亞軍。入選球員表現投入，態度認真，紀律良好，球員的技術及體能均有進步。

在5人足球賽方面，本會已挑選出約20名18歲以下的青年球員，並開始接受培訓以備戰今年12月舉行的2010亞洲足協5人足球錦標賽外圍賽賽事。

為避免代表隊之間出現斷層，本會將繼續維持各級代表隊之訓練，以備戰各項由亞洲足協舉辦之青年國際賽事。

裁判及紀律

為提升裁判員的執法水平，本會於今季繼續沿用裁判員註冊制度，各等級裁判員必須通過考核和體能測試，才可正式註冊成為本會裁判員。另外，本會於季內亦提升有潛質及表現優異之初級裁判員，給予他們更多的執法機會；而今季亦有64位新裁判員加入裁判的專業行列。

在最高級的裁判員方面，今個球季共有10位本地裁判員被國際足協接納成為國際足協接納成為國際裁判員/國際助理裁判員/國際5人足球裁判員。而在裁判員培訓方面，本會今季亦做了許多工作，本年度共有24位一等裁判，18位二等裁判及67位三等裁判通過考核，他們將會是未來擔當裁判工作的後備力量。

由多名資深裁判導師組成的裁判專責小組，負責監察裁判員的工作及籌備各等級裁判員的培訓。為加強裁判發展的工作和培訓，本會除了在暑期期間舉辦新裁判員班、季前體能測驗、季前聯席座談會外，並於季內定期舉辦裁判員研討會、考核員研討會、裁判員訓練班、場地訓練、季中體能測驗和新裁判員考核選拔等一系列活動。裁判員導師亦於季內定期與各等級裁判員進行裁判檢討及會議，除了監察他們的執法水平外，並進一步提升他們的執法技巧。而裁判考核員亦定期為各級別裁判員評分及檢討執法技巧。為配合整體及未來裁判之發展，本會已加強考核員及導師的培訓，並進行篩選。

為提高裁判員之執法水平，本會於今季設置最佳裁判員及助理裁判員之獎項，頒發給在該年度表現最佳的裁判員，以示鼓勵。

去年8月，本會邀請來自日本的國際足協裁判導師石山昇先生聯同國際足協馬來西亞發展辦事處的代表鄒都拿先生來港出席主持一連兩日的裁判季前研討會2008，席上與本地註冊裁判員、裁判導師、考核員進行交流，討論有關裁判員在執法時所面對的問題、執法技巧、最新修改的球例及未來裁判的發展，學員在加深球例的認識和提升執法水平方面均獲益良多，研討會達到預期的理想效果，並為新一屆的球季作好準備。

To be well prepared for the preliminary matches of the 2010 East Asian Football Championship and the 2009 East Asian Games, HKFA set up a training squad for East Asian Games last year. We arranged training in Croatia and played friendly matches against football clubs there. In June 2008, the training squad went to Hangzhou, China to take part in the "10th Anniversary of Sinobal Football Club Invitational Football Tournament 2008", and ended up as the runner-up. Players selected threw themselves into the match, showed serious attitude and good discipline. They have marked improvements in their technique and physical fitness.

In futsal, HKFA has selected approximately 20 players aged under 18 who have started receiving training for the matches in the "AFC Futsal Championship 2010 - Preliminary Round".

To avoid the existence of generation gap in representative teams and to be well prepared for the international youth tournaments organized by AFC, HKFA will continue to maintain the training of representative teams of all divisions.

Referees and Discipline

In order to raise refereeing standard, HKFA continue to implement the referee registration system this season. Referees of all classes need to go through written examinations and fitness tests before they can register with HKFA as referee. Also, to promote junior referees who demonstrate tremendous potential and excellent performance, this season, HKFA provides such junior referees with more opportunities to officiate duty. 64 new referees joined our professional referee team this season.

Regarding the superior referees, this season, 10 local referees were accepted by FIFA as FIFA Referee / FIFA Assistant Referee / FIFA Futsal Referee. In term of referee training, we have done a lot of works. This year, 24 class-1-referees, 18 class-2-referees and 67 class-3-referees passed the examination and will take up the refereeing job in the future.

The Referees Task Force which comprises numerous senior referee instructors is responsible for the supervision of referees and organization of training programmes for referees of all classes. To strengthen the work of referee development and training, apart from holding New Referees Class, Pre-season Referees Physical Fitness Test and Pre-season Joint Meeting during the summer time, HKFA holds various activities such as Referees Seminar, Assessors Seminar, Referees Class, Field Practice, Mid-Season Referees Physical Fitness Test and New Referees Selection on a regular basis. Referee instructors also hold review sessions and conferences with referees of all classes on a regular basis to supervise their ruling standard and enhance their ruling technique. Further, Referee assessors assess and review the technique of referees of all classes on a regular basis. To coordinate with the overall and future development of refereeing, HKFA has strengthened the training and selection of assessors and instructors.

To raise the ruling standard of referee, and as an encouragement, HKFA presented the award of The Best Referee and Assistant Referee to the one who performed the best in the year.

Last year in August, HKFA invited Mr. Noboru Ishiyama, FIFA Referee Instructor from Japan, and Mr. Azimi Abdullah, Representative of FIFA Malaysia Development Office, to come to Hong Kong to speak in the Pre-season Referees' Seminar 2008 which lasted for two days. During the seminar, Mr. Noboru Ishiyama and Mr. Azimi Abdullah exchanged experiences with local registered referees, referee instructors and assessors and discussed with them on difficulties faced by referees when officiating their duties, ruling techniques, regulations that are revised lately and future development of refereeing. Participants of the seminar have benefited a lot and enriched knowledge on regulations and raised standard on ruling. The seminar has achieved its desired effect and well prepares us for the upcoming season.

多名裁判導師及國際裁判員於季內獲國際足協及亞洲足協委派於海外國際賽事中擔任裁判監督及進行執法，增加寶貴經驗。同時，本會於今季亦派出多名裁判員及裁判導師到海外參與訓練課程。去年7月，本會派出2名裁判員到關島參加2008東亞足球聯合會U14青年足球節擔任執法的工作，並出席裁判員潛能發展課程 (Referees Talent Acceleration Programme)；5名裁判導師亦被本會委派參加10月在英國舉行的兩項裁判導師課程；11月，本會一名裁判員更獲得亞洲足協挑選到馬來西亞參加 AFC Project Future Referees Selection Course for Batch 2008 的課程；同月，本會亦有兩名裁判導師被委派前往中華台北參加「未來之路III－國際裁判導師課程」(Futuro III－Refereeing Instructors Course)；今年3月，本會一名裁判導師獲亞洲足協委派到中國南京擔任「展望中國南京計劃－裁判課程」(Vision China Project Nanjing－Refereeing Course)的導師；另外，本會兩名裁判員於4月到中國北京參加亞洲足協舉辦的裁判課程及於該段時間擔任2009 亞洲足協U13足球節－東亞區的裁判工作，而本會的裁判導師亦獲亞洲足協委派擔任上述課程的導師。

季內，本會有多名裁判導師被亞洲足協委任為精英5人足球裁判導師團、精英裁判考核團和精英裁判招募團的成員與及獲東亞足球聯合會委任為裁判委員會委員。

本會一向極度關注球賽的紀律，為確保以公平及中立的態度去解決有關球賽中職球員紀律的問題，本會特別委任了獨立人士出任紀律專責小組成員，採取公平及中立的態度審理每宗球賽紀律聆訊個案，並且嚴厲執行處理違規事宜，以保障賽事的質素。對於一些紀律不佳的球隊，本會的紀律專責小組亦會發出嚴重警告信，以收阻嚇之用。紀律專責小組的不偏不倚處事原則，亦獲得各球團人士的認同。為鼓勵公平競技，本季紀律良好的乙、丙組球隊將會獲發資助金作為獎勵。另外，為簡化及減少一些灰色地帶的條文，本會秘書處已檢討及修訂有關紀律處分的罰則和程序，並已修訂紀律章程，編印成小冊子。

賽事

本會一向注重與球會溝通的機會，一如以往，本會秘書處在球季前安排舉行季前聯席研討會，講解新一屆球季賽事的運作詳情，當中包括比賽資料、賽制及球例修訂等事宜。

本會於今季通過接納天水圍飛馬、四海和香雪上清飲以競賽會員身份加入甲組行列，並接納石硤尾留級的申請以屯門普高作參賽名稱參加本季甲組賽事，來自內地球隊東莞聯華俱樂部今季易名以謝菲聯的名字獲得本會的批准再次來港角逐甲組賽事；加上乙組升班馬淦源加入競逐行列，使到今季參加甲組賽事的球隊增加至13隊，打破了近30多年的甲組參賽球隊的紀錄。多支新加入的球隊為甲組賽事注入了新動力，使到本季賽事更具刺激性。結果，南華繼續展現強者的本色，成功蟬聯今屆

甲組聯賽錦標。首次亮相甲組的天水圍飛馬表現出色，異軍突起，取得銀牌冠軍，而新界地產和富大埔亦有優異的表現，在足總盃賽奪冠。康宏晨曦除了登上聯賽盃的冠軍寶座外，亦在季初復辦的7人足球淘汰賽奪魁。此外，南華憑藉其出色的表現於今年亞洲足協盃中勇闖16強。

A number of referee instructors and FIFA referees were appointed by FIFA and AFC to supervise referees and to rule in overseas international tournaments from which they have gained valuable experiences. Meanwhile, HKFA has appointed a number of referees and referee instructors to attend training course overseas. Last year in July, HKFA appointed two referees to go to Guam to take part in the "2008 EAFF U14 Youth Festival", and to attend the "Referees Talent Acceleration Programme". On the other hand, five referee instructors were appointed to attend two referee instructor courses held in October in UK. In November, one of our referee was selected by AFC to go to Malaysia for the "AFC Project Future Referees Selection Course for Batch 2008". At the same time, two of our referee instructors were appointed to go to China Taipei to attend the "Futuro III－Refereeing Instructors Course". This March, one of our referee instructor was appointed by AFC to go to Nanjing, China to be the instructor of the "Vision China Project Nanjing－Refereeing Course". Also, another two of our referees went to Beijing, China this April to attend the referee course held by AFC and during the same time they took up the refereeing jobs in the "AFC U13 Festival of Football 2009－East Asia". Our referee instructor was also appointed by AFC to be the instructor of the abovementioned course in Beijing.

In this season, a number of our referee instructors were appointed by AFC to be members of the Elite Futsal Referee Instructors Panel, Elite Referee Assessors Panel and Elite Referee Recruiters Panel and by EAFF to be member of the Referees' Committee.

HKFA has always been taking discipline in matches as a very serious business. To ensure that all issues regarding the disciplines of professional players are handled in a fair and non-biased manner, HKFA appointed independent parties to be members of the Disciplinary Task Force who manage to handle all disciplinary issues without bias and give proper sentences in order to guarantee the quality of local matches. As a deterrent, our Disciplinary Task Force will issue warning letters to teams with poor discipline. Such principal of impartiality adopted by our Disciplinary Task Force has been greatly appreciated by football partakers. To encourage fair competition, clubs in the junior division that maintain good disciplinary records will be rewarded with incentive subvention. In addition, to simplify and minimize the grey area in regulations, HKFA has reviewed and amended the details and procedures regarding disciplinary actions. We have also amended the disciplinary statutes and published them by way of booklets.

Matches

Opportunity to communicate with football clubs has always been important to HKFA. As usual, the Secretariat of HKFA holds Pre-season Joint Seminar in which details of the operation of the matches in the new season, such as competition information, rules and amendments of regulation, were explained.

HKFA has accepted TSW Pegasus, Fourway and Xiangxue Esitit to join the 1st division as competition members, and has accepted the application of Shek Kip Mei to participate in the First Division League under the name of Tuen Mun Progoal this season. Dongguan LANWA, a team from the mainland, has changed its name to Sheffield United which has obtained HKFA's approval to participate in the First Division League in Hong Kong this season. The above, together with Mutual which has lately been promoted from the 2nd division, broke the record of the past 30 years and increased the number of teams participating in the First Division League this season to 13.

The newly joined teams injected new impetus into the First Division League and enhanced the excitement of this season's games. At the end of the season, South China continues to show its strength and successfully retained the League title. TSW Pegasus, participating in the First Division League for the first time, performed tremendously and won the Senior Shield, meanwhile, NT Realty Wofoo Tai Po has excellent performance as well capturing the FA Cup. Apart from clinching the League Cup title, Convoy Sun Hei won the 7-a-Side Knockout Tournament re-launched early this season. South China, with its outstanding performance, reached the semi-quarter-finals in the AFC Cup this year.

今季有多支球隊擁有球迷會和自發組成的打氣團，本會盡力協助和配合球會宣傳活動，讓球迷帶同鼓及橫額等打氣用品進入球場為支持之球隊打氣，這除了使球迷更投入球賽的氣氛及對球會之歸屬感和球會的形象獲得提升外，同時亦強化了本會與球迷之間的關係。

每年一度的賀歲盃，今年邀請捷克布拉格斯巴達和韓國水原藍翼兩支球隊與本會派出的香港聯賽選手隊和南華飛馬角逐錦標，比賽刺激緊張，最後南華飛馬在決賽以2:1擊敗布拉格斯巴達隊，奪得今屆的賀歲盃冠軍；而港聯在賽事中亦有不俗的表現，他們兩度因互射點球而落敗，屈居殿軍，雖然有點不值，但他們的拚搏精神已經贏得了球迷的支持和讚賞。

去年適逢北京奧運會的舉行，科特迪瓦、美國、喀麥隆和荷蘭4支參加奧運足球決賽週的國奧隊在前赴北京前夕，來港先進行熱身賽，角逐ING挑戰賽錦標，經過4場的激戰後，結果荷蘭國奧隊脫穎而出，登上冠軍寶座。

今季賽事最可喜的是目睹不少年青球員表現日漸成熟，令球壇人士相信本地足球運動是有發展的空間。另外，本年度的各項本地賽事及國際賽事能得以順利進行，實有賴各甲組球會班主、職球員及秘書處的共同努力和衷誠合作，本會謹在此致衷心的謝意。

青訓發展

本會深知青訓對未來整體足球發展的重要，因此多年來都是本會工作的一個重點。各項青訓活動均具銜接性和延續性，目標突顯；透過有系統的培訓計劃提拔具有潛質的年青球員，為本地足球培訓接班人。本年度的「青少年地區足球訓練計劃」在全港18區舉行，而青苗足球培訓計劃共有16區參與，幼苗亦同樣有16區參加。本會於本年度繼續推行地區足球發展一體化計劃，幼苗、青苗、地區隊及地區丙組球隊實現一體化後，運作理想，教練能挑選出更優秀的學員接受培訓。

為延續學界的足球發展和培訓，本會今年繼續提供技術支援及教練轉介予康文署學校體育組，舉辦學界足球培訓計劃，期間於各區舉行了多次足球示範和同樂日及訓練，同時本會亦安排足球領袖及裁判員課程讓各學校參加，反應熱烈。另外，本會亦以協助形式支援由康文署學校體育組舉辦的「外展足球教練計劃」，約有100間學校透過本會成功轉介合資格的教練到學校協助訓練和作出技術支援，現時共有約50名註冊教練透過本會轉介至各中、小學任教。另外，運動領袖計劃於去年7月假青衣運動場舉行，反應熱烈。

Many of the teams have their own fans club or voluntary cheering team. This season, to assist and coordinate with football clubs in their promotional activities, HKFA allows fans to bring along tools such as drum and banner with them into the stadium to cheer the team they fancy. Besides being a boost to fans' enthusiasm into the games and bringing a raise in their sense of belonging to their respective clubs, this measure also enhanced the relationship between HKFA and football fans.

At the annual Lunar New Year Cup this year, HKFA invited two overseas teams, Sparta Prague of Czechoslovakia and Suwon Bluewings of Korea Republic, to compete with our Hong Kong League XI and South China Pegasus. The competitions were extremely intensive, and South China Pegasus defeated Sparta Prague by 2:1 in the final and won the Lunar New Year Cup. Hong Kong League XI has good performance as well. Although, unfortunately, Hong Kong League XI ended up as third runner-up after losing two penalty shots, their "fight-till-the-end" spirit has won the support and praise from fans.

Last year found the Beijing Olympic. Before going to Beijing to participate in the Olympic Football Final, four of the Olympic Teams, Cote D'Ivoire, USA, Cameroon and Netherlands, made a detour to Hong Kong to take part in a warm-up match and competed for the ING Cup Championship. After four exciting matches, Netherlands Olympic Team clinched the ING Cup title.

The most amusing thing in matches of this season is to witness the maturing performance of young players. This assures football partakers that there is ample room to develop local football. HKFA would like to extend its thankfulness to General Managers of all 1st division football clubs, professional football players and the Secretariat for their efforts and cooperation, without whom, local and international tournaments this year would not be made success.

Youth Training Development

HKFA understands the importance of youth training on the overall future development of football, hence this has been a major target of our works over the years. Each youth training activity has its convergency and continuity as well as a well-identified object. Through systematic training programmes, we can promote young players who display tremendous potential and train new force for local football. In the past season, District Football Team Training Scheme were held in all 18 districts, out of which 16 joined the "Young Athletes Training Scheme" and another 16 joined the "Primary Athletes Training Scheme". This year, HKFA continues to implement the integration schemes in promoting district football development. We saw a satisfactory results after integrating the primary athlete, young athlete, district teams and district third division teams wherein coaches managed to select more outstanding students to receive further training.

To continue football development and training in schools, this year, HKFA keeps providing technical support and coach referral to the School Sports Section of LCSD in its inter-school football training programme. Meanwhile, we held numerous football demonstrations, fun days and trainings in various districts, and arranged football leader and referee course for students, which were all widely welcomed. Also, HKFA assisted the School Sports Section of LCSD in organizing the "Out Reaching Football Coach Programme" in which HKFA referred qualified coaches to approximately 100 schools to provide on-site training and technical support. Currently, approximately 50 registered coaches were referred by HKFA to Secondary and Primary Schools to teach. Further, a Sport Leader Scheme was held last July at Tsing Yi Stadium which received enthusiastic responses.

The "NOW TV Youth Football Scheme", title sponsored by NOW TV, attracted more than 11,000 eager participants this season. The scheme divided into four stages. Except the usual trainings and competitions, the involvement from parents will be added into the scheme and Football Superstars will be invited and appointed to be the football promotion ambassadors and

to assist in promoting the scheme. To expand the scheme to involve Secondary and Primary Schools, HKFA will arrange a number of school visits this May in which coaches will share the fun of football with teachers and students and will promote football through activities such as football demonstrations, games and small-scale competitions. Players currently serving in the 1st division teams will also be invited to join the activities.

This season, HKFA continued to work closely with LCSO and sponsors to promote foundational football development. A number of activities were held such as "Primary Athletes, Young Athletes and District Football Team Training Scheme", "Youth Football Development and Training Scheme", "Crocodile Elite Youth League", "Nike Youth Football League", "Nike Hong Kong Football Five" and "Nike District Futsal League" which aimed on providing youngster of different age with chances to receive formal training and participate in competition and to recruit more new force to the Hong Kong Representative Teams. Also, apart from the U13 Youth League which was held for the first time, HKFA continue to launch the Elite Youth League in which 17 teams from the first, second and third division participated. The object of this match is to provide young players with more chances to participate in football competitions and to receive trainings so as to raise the standard of their football skills and increase their competition experience.

未來方向

這份週年報告旨在為本會今季所舉辦的活動及所取得的成績作一全面匯報。在下一個球季，本會將繼續推動本地的整體足球發展，而工作的重點將會放在青訓、代表隊、職業賽事、裁判員、教練及設施的發展工作。

在青訓工作方面，本會將會繼續貫徹青訓及加強地區足球發展的培訓工作，為未來足球接班人建立更穩健的基礎，從而更有效地培訓年青球員。另外，本會亦繼續與地區保持緊密合作，加強青少年對地區的歸屬感，並且透過有系統的訓練及比賽，發掘和培育本地新一代具潛質的足球員，使他們成為香港各級梯隊的接班人。

在代表隊方面，本會將會集中資源有系統和有策略地訓練各級代表隊，代表隊將於今年6月中重組並開始進行集訓和操練，以備戰於8月由東亞足球聯會在中華台北舉行之2010東亞足球錦標賽外圍賽，本會期望代表隊能夠在比賽中脫穎而出，晉身明年假日本舉行之決賽週。另外，今年12月由香港主辦的2009東亞運動會的足球項目錦標亦是本會的主要目標，本會已經成立了東亞運集訓隊，並且加強訓練，進行定期集訓和友賽，為未來的賽事作充足的準備，本會深信港隊定必全力以赴，爭取更佳的成绩，並以出色的表現來答謝各人的支持。

在本地賽事方面，本會繼續以提高本地球賽水平為目標，並加強球迷對香港足球的信心和球員的質素與提升職業賽事的可觀性，吸引球迷重返球場，繼續支持香港足球。本會希望來屆的甲組參賽隊伍能加強實力，使來季的賽事更趨激烈和熱鬧。此外，本會亦志切加強與球迷之間的關係，拉近彼此間的距離，培養他們對本地足球的興趣和歸屬感，重拾他們對香港足球的信心。

在裁判員和教練方面，本會將會繼續為裁判員和教練提供支援與深造課程，以提升他們的質素及專業資格，以配合長遠的發展目標。

在設施方面，旺角大球場將於今年9月進行改善工程，施工期約21個月，本會在來季的賽事安排將會受到一定程度的影響；因此，確保來季賽事有足夠的場地應用是本會的首要任務，並與康樂及文化事務署進行磋商，以解決場地使用的問題。

最後，本會將會增撥更多資源支持未來足運的發展和配合發展青訓的長遠目標；同時，本會亦努力向政府爭取撥款並希望政府能在政策上和其他方面與本會作出相應的配合，使香港足球能持續地發展和得到健康的成長。

Future Direction

This Annual Report serves the purpose of reporting the results gained from various activities held by HKFA this season. Next season, HKFA will continue to promote the overall development of local football with a focus on youth training, representative teams, professional matches, referee, coach and the development of facilities.

Regarding youth training, to build a more secured foundation for future football new force, HKFA will continue to implement the training so that young players will be trained in an efficient manner. Also, HKFA will continue to maintain close working relationship with district, enhances youngster's sense of belonging to their respective district and by systematic training and competition, explore and nurture a new generation of local players who display tremendous potential so that they can back up teams of all divisions.

In respect of representative teams, HKFA will concentrate our resource on the systematic and tactical training of teams of all divisions. To prepare for the 2010 East Asian Football Championship Preliminary Competitions held by EAFF in China Taipei in August, representative team will be reorganized and start group training and practice in June this year. HKFA expects the representative team to win the competition and enter the final round held in Japan next year. Also, the football championship of the 2009 East Asian Games hosted by Hong Kong this December is our major target as well. To be well prepared for the upcoming matches, an East Asian Training Squad has been set up and training has been strengthened with group training and friendly matches to be held on a regular basis. We believe that the Hong Kong Representative Teams must do their best to strive toward a better result and will acknowledge supports from all individuals with outstanding performance.

In regard to local matches, HKFA will keep raising their standard as our target. We will also strengthen fans' confidence on Hong Kong football and on the quality of players and attracts fans to return to the stadium and continuously support Hong Kong football by enhancing the appreciability of professional matches. HKFA hopes that 1st division teams participating in leagues in the upcoming year can improve their strengths so as to make the matches more intense and exciting.

On refereeing and coaching, HKFA will continuously provide referees and coaches with support and advancement course so as to improve their quality and professional standard for a long-term development goal.

Concerning facilities, Mongkok Stadium will undertake improvement works in September of this year. Since such works are expected to last for about 21 months, matches in the upcoming season must be somewhat affected. Therefore, HKFA sees a prior obligation to ensure that adequate venue will be available for matches in the upcoming season. HKFA will negotiate with LCSD to resolve such problem.

Finally, HKFA will allot more resources to support the future development of football and to coordinate with the long-term goal of youth training. Meanwhile, HKFA strives to ask for funding from the Government and hopes that the Government could coordinate with us in terms of policies and other aspects so that Hong Kong football could have a continuous development.
